Managing Employee Leaves of Absence

Managing employee absence presents a maze of questions under federal and state leave laws: When are you on notice, and what type(s) of leave are implicated? What documentation can you request? How long can the employee be out, and what happens when leave ends?

Please join [Larry Donoghue](#) and [Maura McLaughlin](#) for a lively discussion of these and other topics designed to help you maintain compliance and effectively manage employee leaves of absence.
